DPB has made a significant investment in branding the station, and it would be cost prohibitive for the college or a new nonprofit to keep up that level of brand work. ur partnership with OPB offers advertising to MHCC and opportunity for students without creating additional costs for MHCC. it also gives KMHD a national status that is greater than MHCC could offer. we are discussing the nations number one jazz station here and a MHCC legacy. return it to mhcc or continue the partnership, please. Either proposition is a financial net loss. The risks and cost are significantly higher with options 2 and 3.
